
Strawberry Salad

Stephen Fisher

Servings: 10

Preparation Time: 10 minutes

- 6 ounces strawberry gelatin powder**
- 1 cup water, boiling**
- 20 ounces strawberries, frozen, thawed**
- 20 ounces pineapple, crushed, well drained**
- 3 medium bananas (approximately 1 cup), mashed**
- 1 pint sour cream**

Dissolve gelatin in boiling water. Add strawberries, pineapple & bananas.

Put half of mixture into mold. Refrigerate until firm, about 45 minutes.

Spread enough sour cream over firm mixture to cover, and then gently spoon rest of strawberry mixture over sour cream.

Cover & chill overnight.
